

MATIC 40-4

semi-automatic gummed tape dispenser

The MATIC 40-4 is similar in function to the MATIC 80 PLUS and MATIC 100.

With its sleek styling and small footprint, the MATIC 40-4 is an attractive sealing device that fits in well on any countertop. The lever-operated paper tape dispenser simplifies many specialty sealing applications and ensures a secure, professional seal.

Specifications:

Max. width: 40 mm
