

Options for the VARIO 555eMA

AMD - Automatic Measuring Device

CODE TAPER - Imprints tape

TAPE AERIAL - Presents the tape

Foot Pedal - Hands free operation

Measures and dispenses just the right amount of tape every time. Practical length from ca. 60-150 cm.

The VARIO 555eMA can also be equipped with the proven HADE CODETAPER®. Imprint your tape during dispensing with your custom message.

Delivers and holds straight length of tape for easy use with V-shape.

Dispenses tape with a touch of the foot to allow both hands for carton sealing.

Single and dual models.
