MINI-TAPER

INTRODUCING THE CURBY™ MINI-TAPER

The CURBY MINI-TAPER is a sleek, lightweight manual water-activated tape dispenser with a small footprint. Weighing only 3 kilograms, it is perfect for small office or home office, retail outlets and low-volume shipping environments with limited workspace. This dispenser is economically priced, easy to operate, and the tape is simple to load. Paired with curbside recyclable water-activated tape, the Mini-Taper is part of IPG's line of "Curby" packaging solutions. The CURBY MINI-TAPE allows any size business to enjoy the carton sealing benefits of water-activated tape: security, strength and professional packaging.

QUALITY, PRODUCTIVITY & PERFORMANCE

- Soft touch tape delivery
- Easy push tape dispensing
- Self-contained cutting mechanism delivers clean, even cutting of reinforced water-activated tape
- Better Pack water brushes provide consistent, uniform tape wetting
- Refillable and spill-resistant water tank holds enough water to activate one roll of tape
- Push lever dispenses 25 cm length of tape; repeat push lever for longer tape lengths

ENVIRONMENTALLY RESPONSIBLE

- Water-activated tape is recyclable and repulpable
- Only one strip of water-activated tape is needed for a secure, strong seal
- Portable dispenser does not require electricity

... easy to operate:

1 Eject and fill the water tank, then insert it back into place.

2 Remove cover to insert tape, then feed tape through slot.

3 Push lever to dispense tape to desired length (Additional pushes may be required).

4 Push cutter down to cut the tape.
